

## The Medics against Violence initiative

Dear teachers,

If you've heard about Medics against Violence and work in a school that you'd like us to visit you can sign up on the form below.

The programme is aimed at S2 but if there is another class you would like us to visit please let us know.

### BASIC REQUIREMENTS

- We need 6 week's notice to arrange a visit
- We prefer to present to classes of no more than 30 pupils as our lesson plan involves some group work
- Our lesson involves a DVD so the classroom needs to have facilities to allow us to play and listen to the DVD.
- All of our members are volunteers and take time out from their busy jobs to present the MAV programme, many prefer to present to two classes back to back in each school to get the most out of their time. If this is possible in your school please let us know.
- We have developed a list of various additional activities which can be undertaken with the class after our visit, these are available on the website as a project list. We are happy to return to the school to see the results of the pupils' efforts and have a further discussion. If you would like us to do this please let us know on the form.

Please return the form to

Dr Christine Goodall  
Department of Oral and Maxillofacial Surgery  
Glasgow Dental Hospital and School  
378 Sauchiehall Street  
Glasgow G2 3JZ  
Or send by email to [c.goodall@dental.gla.ac.uk](mailto:c.goodall@dental.gla.ac.uk)

Name of school

Contact person and role

Telephone number

Email address

Is there a campus cop in the school?

Number of pupils and classes in S2

In addition to S2 is there another year that you feel would benefit from MAV?

Would you like a second visit?

Preferred times and dates for visits

We would like to participate in the MAV programme/we would like to be kept informed about MAV
